LIBERTY-CANDIDATES.ORG enthusiastically welcomes Stephen Bailey to the growing slate of candidates championing a return to Constitutional governance in the United States!

A Liberty Candidate will defend the great American principles of:

- Individual Liberty
- Constitutional Government
- Sound Money
- Free Markets
- A Non-interventionist Foreign Policy

This endorsement is the hallmark of a true Liberty Candidate. To qualify, Candidates must submit answers to the four liberty questions (<http://tinyurl.com/libertyapplication>). Then, each application is voted on by a committee made up of peers and other liberty minded individuals. Each candidate's website is visited by committee members to see that a candidate's answers and his/her stance on the issues coincide.

If accepted, each Liberty Candidate is added to the Liberty-Candidates.org site with prominent links back to his/her site(s). All Liberty Candidates are eligible to participate in the Liberty Candidate Money Bombs.

With candidates like Stephen Bailey serving the people at the city, county, state and federal level, there is real hope for change in America.
